Kent's Corner

Dear St. Patrick Families,

Plans are moving right along for our campus improvements.

We have ordered (8) 128 GB Apple iPads with 3 years of Apple Care for our 5th-8th Grade Home Room Teachers and our Religion, Science, Spanish, and Technology teachers. We expect a deliver any day now!

Air conditioning is set to be upgraded in the server room. This work order will be completed this week. We received multiple quotes and went with Weather Engineers and their split vent option. Once the air conditioning is upgraded, we will replace the current server with a new server. The lifespan of a server is 3-5 years and we are at that point where a new server is needed.

We are in contract with our contractor for our basketball courts and multipurpose athletic field. We are still on schedule to begin the construction after the March 23rd Spring Festival. This is truly a GREAT time to be a part of the St. Patrick Catholic School family!

Seventh Sunday in Ordinary Time

Sunday, February 24, 2019

Focus:

Jesus challenges us to act with love. Being a Christian – truly following Jesus – isn't easy. Today's Gospel is a reminder of that fact. Jesus describes what it means to act with love. He challenges us to do what seems humanly impossible: to love our enemies and forgive those who hurt us. These are not easy tasks! Only with the help of Jesus can we truly do what he commands.

Dear Friends of St. Patrick Catholic School,

St. Patrick Catholic School, will be hosting the **St. Patrick Catholic School Spring Festival, on Saturday March 23, 2019 from 10:00 AM - 4:00 PM.** The festival is a longstanding St. Patrick tradition. This is the largest fundraising event of the school year and we are anticipating hundreds of guests. It is an event open to the general public and promises a full day of family fun.

In past years, funds raised from generous donations like yours have allowed us to add playground equipment and expand our inventory of student technology. This year your donations will go directly towards a 1:1 iPad initiative, campus security upgrades, and new outdoor basketball courts and an athletic field.
