

Dear SPCS Family,

Please see the following information regarding this week at St. Patrick. Remember that registration has moved into open registration, so we now have new families registering students for each of our classes. Once a class hits the maximum number of students (PreK=14, VPK=20, K-8=26), then it will be considered closed. Please don't wait to send in your re-registration information. We had to turn away returning families this past year because classes were closed when they tried to re-register.

If you have any questions regarding re-registration or anything in this email, please contact us.

God Bless,

Mr. Chris Meyer, School Principal

General Information:

1. If your child has not received his/her prize for selling candy, it may mean we are still waiting for money to be returned to the school office. If you are not sure, please contact the school office.
2. The spirit store is once again open. The link is: <http://www.spcs.t5sportswear.com/>. The store will close on Sunday, Feb. 26.

Students who arrive after testing has begun will have to wait in the office until they can be admitted into the room (between tests). This may cause them to have to make-up tests at a later time. The testing will last from Tuesday, February 21 to Thursday, February 2.
6. Our annual art show will be held this Friday, Feb. 17 from 6:00-7:00pm. This year, we are offering parents the chance to view and purchase art virtually, as well as in person. The virtual art show will be open until Sunday, February 19. To see your child's art, or to purchase online, please go to: <https://artomestore.com/collections/stpatrickscatholic32218>. Ms. AJ is also looking

for 3-5 volunteers to assist her on the evening of the show. If you would like to volunteer, please go to <https://www.signupgenius.com/go/5080945AFA829A4F85-artshow>.

7. Save the date--the running club will be participating in the Junior River Run on Saturday, March 4. More information will be given out by the running club moderators.

8. Our 4th grade will continue selling treats at lunchtime on Friday, February 24, to raise money for t-shirts as part of their class trip to St. Augustine in April.
