Guardian Angels: God's Faithful Companions The Catholic Church teaches that each person is entrusted to the care of a guardian angel, a spiritual being created by God to guide, protect, and help lead us to heaven. Guardian angels are a beautiful reminder that we are never alone. God's loving providence surrounds us not only through family, friends, and the Church, but also through these heavenly companions.

Sacred Scripture offers several glimpses of the ministry of angels. Jesus speaks of the angels of little ones who continually behold the face of the Father (Matthew 18:10), and the Psalms proclaim that God gives His angels charge over us to guard us in all our ways (Psalm 91:11). Throughout salvation history, angels appear as messengers, protectors, and servants of God's will.

Guardian angels respect our freedom and do not replace our responsibility to choose what is right. Rather, they gently inspire good thoughts, warn against temptation, strengthen us in trials, and accompany us in prayer. Although we cannot see them, we can confidently seek their help and thank God for their constant care.

The Church celebrates the Memorial of the Holy Guardian Angels on October 2. A simple daily prayer expresses the faith of generations of Catholics: *"Angel of God, my guardian dear, to whom God's love commits me here, ever this day be at my side, to light and guard, to rule and guide. Amen."*
