

## **Week of January 19: The Church—Founded by Christ or Just a Human Institution?**

Some see the Church as just a man-made organization. But Catholics believe the Church is both **human and divine**, because it was founded by Christ and animated by the Holy Spirit.

In Matthew 16:18, Jesus says to Peter, “You are Peter, and upon this rock I will build my Church.” The Church is Christ’s visible Body on Earth, entrusted with preserving and proclaiming the Gospel. It isn’t perfect—because it includes imperfect people—but it is guided by the Holy Spirit and protected from error in matters of faith and morals.

The Church is not just an institution—it is a **family**, a sacrament of God’s presence in the world, and a means through which Christ continues His saving work.

Dr. Martin Luther King, Jr. was a courageous leader who helped our nation move closer to justice and equality through the power of faith, peaceful protest, and a steadfast commitment to human dignity. His vision of a country where people are judged by the content of their character continues to inspire us to love our neighbors, stand against injustice, and work for peace in our communities.

We wish all of our St. Patrick Catholic School families a safe and restful long weekend as we honor Dr. King’s legacy in observance of Dr. Martin Luther King, Jr. Day.

God Bless,

Mr. Chris Meyer, School Principal
