

## **Week of January 9: What Do Catholics Believe About Jesus?**

Catholics believe that **Jesus is both fully God and fully man**, the Second Person of the Trinity who became flesh to save us from sin and death. This is called the **Incarnation**—God becoming man in the person of Jesus Christ (John 1:14).

Jesus is not just a wise teacher or a prophet. He is the **Son of God**, equal to the Father and the Holy Spirit (John 10:30). He performed miracles, forgave sins, died for our salvation, rose again, and remains present with us through the Holy Spirit and the sacraments.

This central truth—**that Jesus is Lord**—is what makes Christianity unique. Everything Catholics believe flows from who Jesus is and what He came to do: unite humanity to God through love, truth, and grace.

Welcome back, and Happy New Year! We hope you enjoyed a joyful and restful Christmas holiday filled with faith, family, and renewal. As we begin the second semester, we do so with gratitude for our strong school community and with hope and optimism for all that lies ahead.

The start of a new semester offers a wonderful opportunity to refocus our efforts, recommit to our goals, and continue growing together academically, spiritually, and socially. We are excited for the learning, activities, and faith-filled moments that await our students in the months ahead.

Thank you for your continued partnership, support, and trust in St. Patrick Catholic School. May God bless our school community with a semester filled with growth, kindness, and success.

God Bless,

Mr. Chris Meyer, School Principal
